授業の目的 【日本語】 Goals of the Course [JPN]	The name "Studium Generale" means "General Studies" in Latin and comes from old European universities, still used in many German universities. Studium Generale B course offers exposure to academic topics from the field of social sciences, presented at an introductory level. The goal is to expose students to topics outside their major or research field, to different ideas – from both the speakers and other participants. For students from the regular Japanese program it offers an opportunity to experience university lectures in English. The course cultivates a multifaceted view of the world and communication skills, which are fundamental competencies for future members of the society.
