

For International Students

“I’m anxious about job hunting in Japan…”

“When and how should I start preparing?”

“What should I do about internships?”

A reliable career-support service where you can ask anything Job-Hunting Support “CONCIE”

What is CONCIE?

We share job-hunting and career information for international students through Career Quest. You can also ask questions in your own language using AI.

You can easily connect with companies, local governments, and other international students. We'll send you useful updates and event notices.

CONCIE is run by university staff experienced in supporting international students. We offer one-on-one job-hunting advice and support even after you start working.

CONCIE is completely free.

Let's begin from here.
